NOTE FOR: DDI

B&R

- Agree that a slot is needed [redacted] (with SIS allocation from DCI Reserve).
- I don't oppose a second slot for an Assistant, although I don't necessarily believe every NIO needs an Assistant.
- I definitely question the need for every NIO to have a secretarial slot; in other offices (particularly the IG's), one secretary supports 3-4 officers, up through the SIS-04 level.
- However, many new positions are, in fact, required, I must ask that you absorb them--there is no E Career Service or other such position reserve.
